Sacred Heart Parish is partnering with The K9 Kop Project to sell 2024 calendars to raise money for the parish and K9 officers from the area. Each month features a K9 officer and their handler.

Calendars are \$10.00 each. \$6.00 of every calendar sold goes directly to the K9 and \$4.00 will go to Sacred Heart Parish. This is a great way to support K9s and your parish.

They make great Christmas gifts!

Calendars will be sold after each Mass the weekend of October 21-22.

Calendars are also available in the parish offices.

Many police departments do not have funding for K9 officers. A K9 team costs between \$30,000-\$75,000. The initial training is between \$8,000-\$9,000 then \$3,000-\$5,000/year as long as the K9 is injury free. Leashes are \$170-\$190. Each handler should have at least 3 leashes of different materials and sizes for training and actual operations. They need 2-3 collars at \$150-\$450/each. Tracking collars require a monthly fee. Vests are \$1,000-\$2,000.

Plus vet bills, food, toys, water bowls, etc...

Every dollar helps!!
